## LANGKAH -LANGKAH DAN HASIL:

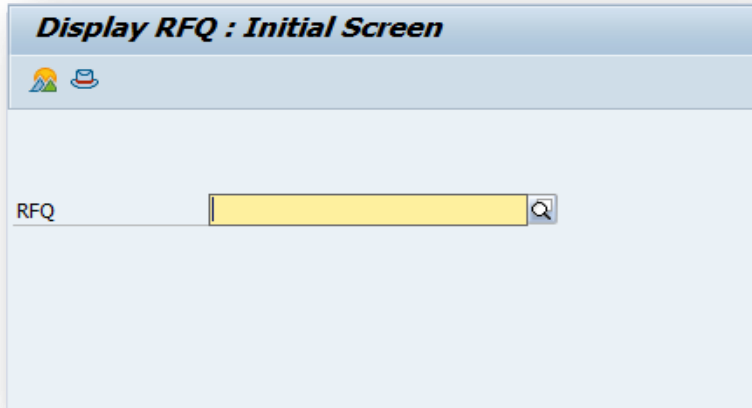

1.Masuk melalui T-code

|                         |             |
|-------------------------|-------------|
| <b>Transaction Code</b> | <b>ME43</b> |
|-------------------------|-------------|

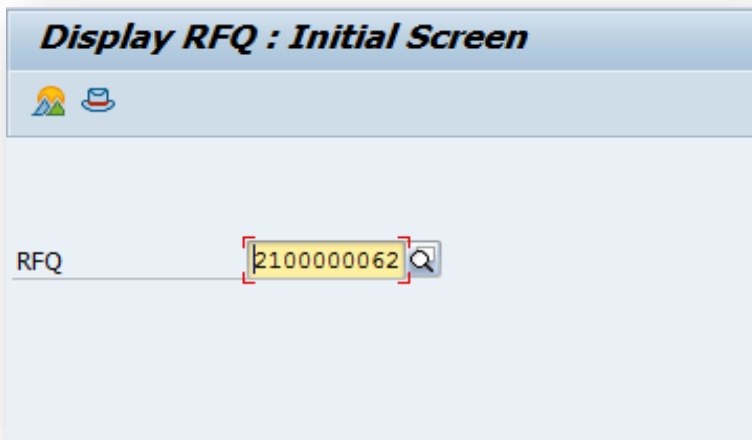

## LANGKAH -LANGKAH DAN HASIL:

2. Klik tombol  atau tekan tombol Enter, maka akan muncul layar *Display RFQ : Initial Screen* seperti ini.

The screenshot shows a window titled "Display RFQ : Initial Screen". Below the title bar, there are two small icons: a landscape icon and a printer icon. The main area of the window contains a label "RFQ" followed by a yellow search input field with a magnifying glass icon on the right.

3. Masukkan No. RFQ.

The screenshot shows the same window as above, but the search input field now contains the number "2100000062". A red rectangular box highlights the input field.

## LANGKAH -LANGKAH DAN HASIL:

4. Klik tombol  atau tekan tombol Enter, maka akan muncul tampilan Display RFQ : Item Overview.
